

To Whom It May Concern:

I very much appreciate, value, and depend on the encouraging, up-lifting, and family friendly programming provided by K-LOVE. I listen to it every morning and off and on throughout the day. The news updates keep me informed of what's going on in the world, and the wonderful music uplifts and inspires me in a powerful way. God works powerfully through K-LOVE, often playing just the right song at just the right time—which will me (and many) in a powerful way.

Please do not displace K-LOVE with an LPFM station. As one who lives out in the country, I can't get any other really good Christian radio stations, and I would be lost without it—and I know many others feel the same way. I also enjoy the fact that I can get the same great music as I travel from place to place.

There are so many radio stations with all kinds of music and programs—much of which contains language, content, and music I do not care to and will not listen to. It would be a horrible loss in our community and nation if wholesome, inspiring, up-lifting, family-friendly radio stations, like K-LOVE would be forced off the air. People get far too much “trash” on TV and radios as it is; we deserve the right to hear non-violent and non-obscene music on our public air waves.

Thank you for your help.
